## BRUCHER THIELTGEN PARTNERS AVOCATS A LA COUR

*"Ingenuity in the service of a fairer world" is the motto of the secondary school I attended. It easily finds its meaning in my practice and motivates me on a daily basis when it comes to finding the inventive solution that will best serve the interests of our clients.*

### SELECTED EXPERIENCE

As a member of the Litigation Team, I advise and assist our clients at both the pre-litigation and litigation stages of their activities. My training and experience give me solid expertise in litigation relating to insurance and liability, as well as in all areas of business litigation such as commercial and administrative law.

### EDUCATION

- University certificate in Insurance Law, University of Louvain-la-Neuve (Belgium)
- Master degree in Law, specialized in liability and insurance, University of Louvain-la-Neuve (Belgium)
- Secondary education at Collège du Sacré-Coeur in Charleroi (Belgium)

### ARTICLES & CONFERENCES

- Q&A guide to insurance and reinsurance in Luxembourg, Thomson Reuters Practical Law, available online.
- Speaker at a conference "Luxembourg life insurance - Regulatory news: escheatment, sub-contracting, value for money, insurance distribution and the duty to advise", Finix Events, 15 November 2022, Luxembourg.
